

Recruiting Governors to our Local Standards Board (formerly Board of Governors)

We are seeking suitably skilled and committed people to sit on our Local Standards Board to support us in providing the best service to our pupils in these areas. The time commitment is one evening meeting and one morning visit to see the school in action and help us evaluate the impact of our work, every half term.

These are the skills we need you to have to be effective in the role. We need Governors who can:

- Show a positive and supportive approach
- Work collaboratively in a team
- Reflect, problem solve and suggest improvements
- Be committed to the needs, rights and wellbeing of all of our children without focusing on their own, if they are pupils at Shiphay
- Demonstrate some experience of working with children and/or families outside of your own

Being a school governor is a fantastic way of giving back to both a school and your local community. If you feel that you have the attributes we are looking for, we hope that you will consider making a contribution and take the next step.

If you are interested please tell us something about yourself, why you want to join our Local Standards Board and the skills you could bring. Please put this in writing in a few paragraphs, no more than one sheet of A4, and send it to the Headteacher, Elaine Gill, either via the school Office or email to head@shiphay.org

We look forward to hearing from you.
