

The future of reading

Loved
by over a million
children in the UK.

What is Bug Club?

- A reading programme that the school will use to help teach your child to read
- It has carefully graded reading books and eBooks
- Your child can take home the books as well as accessing eBooks via a personalised website

Why are we using eBooks?

- Your child can enjoy reading books on screen and completing fun quiz questions found in the eBooks
- The quiz questions will help the children practise their reading skills
- The Foundation and KS1 eBooks are also audio-books, so children can enjoy hearing an expressive reading of the story

When can children use the eBooks?

- If you have internet connection at home, your child can log on whenever they want to, from home
- If you don't have internet access, we will be making computers available throughout the school day

Using the eBooks

We are providing each child with their own login details to the Active Learn Platform which hosts Bug Club. They can read their eBooks here
