

Key vocabulary

If/Else	A conditional command. This tests a statement. If the condition is true, then the commands inside the 'if block' will be run. If the condition is not met, then the commands inside the 'else block' are run.
If	A conditional command. This tests a statement. If the condition is true, then the commands inside the block will be run.
Algorithm	A precise step by step set of instructions used to solve a problem or achieve an objective.

We are building our knowledge for
using 2Code in Year Five

Key knowledge

I can make my own computer game to share
with my friends.

I will programme and edit the:

☒		Text Box	☒		Image
☒		Image & Text	☒		Sound
☒		Post It Note	☒		Shape
☒		Speech Bubble	☒		Paint a Letter
