

Online-Safety- Progression of Skills

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
I know what the internet is and what different technology is in the world that is around me.	I know I can go to some exciting places Online but know there are rules to keep me safe.	I know how to stay safe online and how to avoid sharing personal information and images.	I can talk about how to stay safe when talking to people online and how to always show the Respecting Core Value.	I understand what online bullying is and how to get help if this is happening to me or someone I know.	I know how to show the Respecting Core Value to others when I am online.	I have a good understanding of online gaming and chat sites and how to stay safe and be respectful when using these.
I have experienced a range of technology and know how to use it safely.	I know that many websites will ask me for information that is private and I know how to respond safely to this.	I know how to communicate appropriately online and what online friendships mean.	I know how to use advanced internet searches to determine whether the internet can be used to prove facts.	I am aware of 'fake news' and I am developing the skills to determine if what I read is real or fake.	I am starting to explore online influencers and vloggers on YouTube.	I am starting to think about the E-safety skills I will need to use when I move to Secondary School.
I know how to behave online and who can help me when I am online.	I know to behave online and how to recognise online bullying.	I am starting to know how to respond to cyberbullying.	I know the benefits of using strong passwords to keep my online accounts safe.	I am starting to think about whether I can control my online reputation.	I am starting to understand how vloggers make money and what happens when it goes wrong.	I know what Social Media is and how it can influence my views and opinions.
I am beginning to use the internet to see if I can find information.		I know not to trust everything I read online.	I know how to create a positive online reputation.	I know how technology can have a negative impact on people's lives.	I know what an online community is.	I know how online gaming can get people into debt.
			I am starting to think about how technology can impact my health.		I am starting to think about what copyright means and how to interpret information I have found online.	I know how technology can impact my health and my life.
