

Key vocabulary

weather	sunshine, rain, snow, wind and storms
seasons	different times of the year with different weather
spring	March, April and May
summer	June, July and August
autumn	September, October and November
winter	December, January and February
daytime	the part of the day between when it gets light and when it gets dark

Key knowledge

- We divide up the year into four seasons: **spring**, **summer**, **autumn** and **winter**.
- The **weather** is different during each **season**.
- The **daytime** is longer in **summer** and shorter in **winter**.

We are building our knowledge of Understanding of the world (Reception)

This will help us learn about Light (Year 3)
