Here are our fabulous FOSS (Friends of Shiphay School) committee who mastermind all the fantastic events that our children, families and community can enjoy throughout the year.

The committee work tirelessly to make sure the children have extra opportunities and also that much needed funds are raised to benefit the children. Over the last 2 years, they have donated £15000 to help restock and improve our libraries, This year they are embarking on ambitious projects to improve our outdoor spaces.

The committee are amazing but they can't do it on their own. We need more volunteers to join the FOSS team. Not to take on committee roles, but to be available to give a few hours a term to support at events. Please contact foss@rivieraet.co.uk if you can help.
